

Hub Fossil Box

Rent for £10

Is your child interested in fossils? We have a hub fossil box available to rent! £10 for a two week rental!

The box has been collated by the Herefordshire & Worcestershire Earth Heritage Trust. The boxes have been provided for educational establishments across the UK to promote interest in geology, geo-conservation and earth sciences in the next generation of students.

The box contains two trays, each of which contains:

- 12 fossils
- 1 trace fossil
- 2 modern equivalents

There are a number of laminated sheets included which include:

- Information on careers in Earth Science
- Teacher notes
- Background learning suggestions
- & more!

The box must be cared for at home and returned in the condition in which it was borrowed.
