

# Occupational Therapy at The Hub

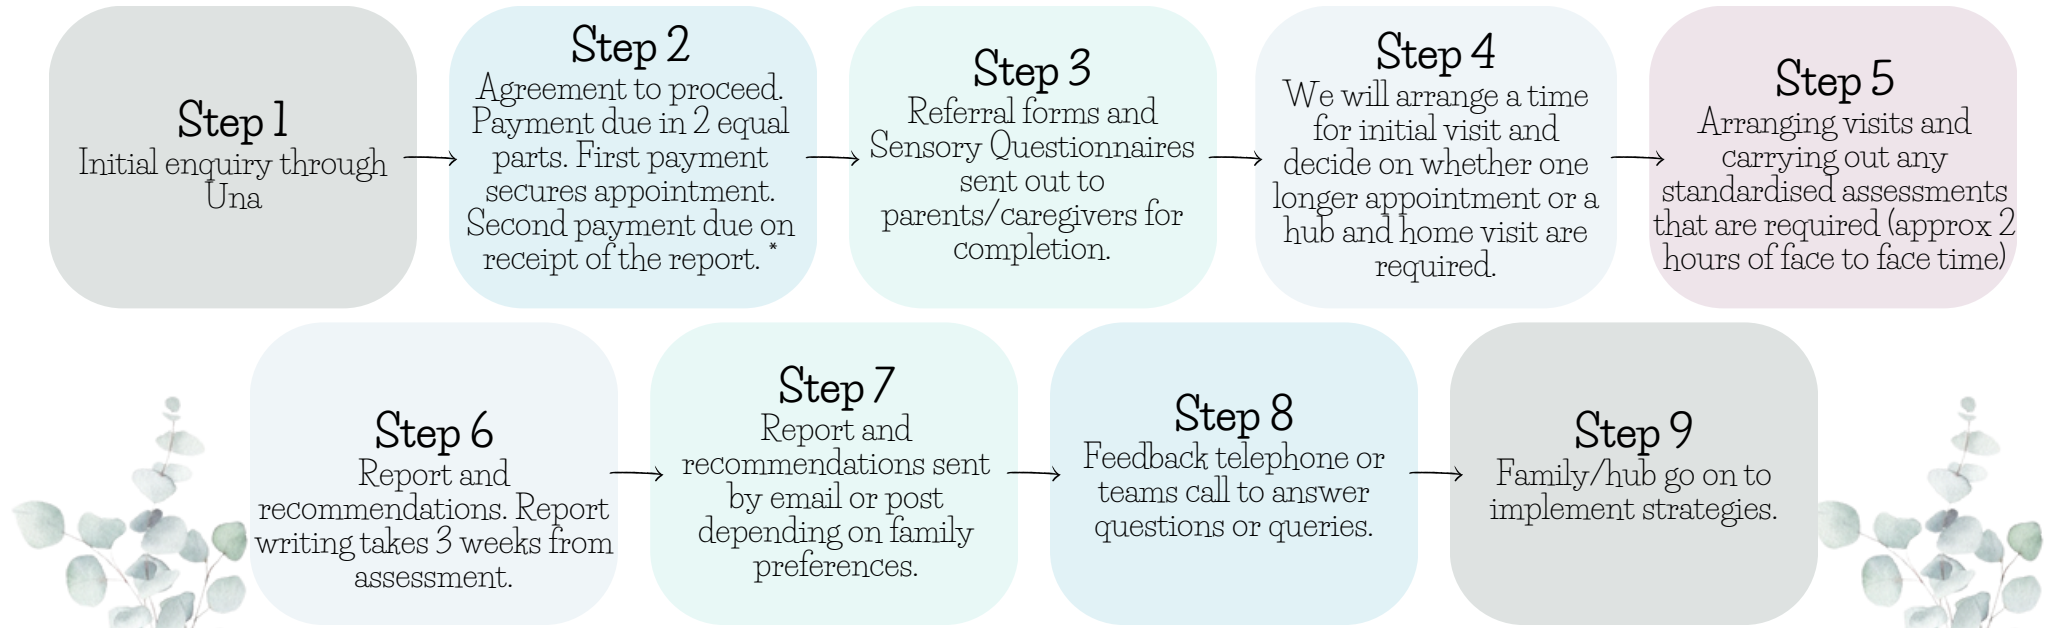

Does your child experience difficulties with:

- Busy, noisy spaces
- Tolerating clothing textures
- Dressing
- Toileting
- Sitting still / fidgeting
- Attention and focus
- Regulating big emotions
- Coordinating body movements
- Problem solving
- Fine motor skill
- Handwriting

Bespoke assessment packages available £475

- Assessment of needs using standardised testing when appropriate
- Reports including recommendations for home and other settings
- Follow up family consultation
- Fine motor / handwriting assessment and intervention

## What Does the Assessment Process Look Like?

\*Payments can be spread over 3-4 payments if preferred.
