

Nature Journalling

16 May 2025

This month, we will be working on our comparison skills by observing two similar species or objects and noting the similarities and differences between them.

18 July 2025

This month, we will be making our very own collection of objects from around the park and creating a mini guide.

20 June 2025

This month, we will be looking at how numbers can be useful when creating our nature journal and practicing different ways of using numbers.

15 August 2025

This month, we will be exploring lifecycles of a plant and recording different stages of how a blackberry grows to create a timeline.
